Solos, Duos, and Trios – May 6<sup>th</sup>, 2016      Teams – Saturday May 7<sup>th</sup>, 2016

**Confirmation** – You should receive an email by the competition deadline (**Mar. 28<sup>th</sup>, 2016**) confirming we have received your entry. If you do not receive an email, please call the office at (801) 568-2762, Monday-Friday, 10am-5pm.

**Payment** – All entries will be processed in the order they were received with FULL PAYMENT. Submitted entries without payment or partial payment will not be put on the schedule.

**Schedule** – A preliminary schedule will be emailed to studios no earlier than two weeks before the competition. The updated schedule will then be posted to [www.danceamericausa.com](http://www.danceamericausa.com). Any changes to the schedule after it is posted will be \$20.00 per change, so make sure you are entering the correct categories and ability levels.

**Admission** – THERE IS NO ADMISSION AT THE DOOR!

**Music** – All routines MUST be on CD with your studio name and title of song on it. Please be sure to have back-up copies readily available. We can accommodate mp3 players as a last resort, but the director must stay at the sound table to start and stop the music. Music must be checked in at the sound table at least one hour prior to performance.

**Audio/Video Judging** – Each routine will be filmed. Two of the three judges judging each routine will be writing comments and feedback on their judging sheets along with a score. The third judge will be scoring on a sheet but will also be speaking comments that will be recorded with the video. All routines will be put on thumb drives and sent to the studios within one week. Soloists that do not have a team competing will have their routine emailed to them directly.

**Artistic Performance** – Because this event is about the “artistry” of dance and is an adjudication only competition, we encourage you to refrain from cat-calling, and there will be NO exiting or entering during a performance. Children will not be allowed to play in aisles or hallways.

**Dressing Spaces** – We will have a designated area for soloists to change (boys will have a separate area). NO FOOD OR DRINK is allowed in those areas. Also, the use of any kind of glitter is prohibited. Dance America staff will be monitoring the areas, so keep it clean to avoid getting fined by the school. Studios must pay a refundable \$75.00 deposit in order to receive a dressing space. Please make checks payable to Dance America, or we can hold a credit card number. If the dressing spaces are left clean, the checks are shredded and credit cards not billed. If not, the \$75.00 will be given to the theatre for cleaning costs. Multiple studios MAY have to share a dressing space, so make sure to pick up after yourselves. Teams - Dance America must check-off dressing spaces for cleanliness before you can receive your judging sheets.

**Directions and Parking** – The Egyptian Theatre and Conference Center offers covered parking on three levels, with direct access from the garage to the second floor lobby. The parking garage is located on Kiesel Ave., west of the building. There is limited on-street parking with meters, but is free after 6:00pm.
